NEWSLETTER

18th March 2022

In our celebration assembly this morning the following children were congratulated and presented with certificates:

STARS OF THE WEEK

Kestrels	Frankie , for his positive attitude towards all of his learning across all areas of school.
Ravens	Charlie , for demonstrating a positive and confident attitude in all aspects of his learning. Keep it up Charlie! You can do it!
Robins	Greyson , for a super all round attitude and trying his best in all areas of school life.
Falcons	The whole class , for excellent behaviour, quickness of thought and natural ability as cyclists.

SUPERSTAR LEARNER OF THE WEEK

Kestrels	Dylan , for a much improved attitude towards his writing – great effort this week.
Ravens	Brooke , for becoming much more confident in converting units of length. (cm to mm, m to cm and vice versa).
Robins	Alfie , for being our 'Question-Answerer Extraordinaire!'
Falcons	Macie , for always producing work of a high quality and doing her best!

Enjoy and Achieve – Aiming High

Our Nursery children have been enjoying the Spring sunshine by playing outside and painting what they see! Children in Deer class have been using and enjoying their new 'Space Station' role play area.

Bulbs planted by Kestrels class in the Autumn term are now blooming. Year 2 are well underway with SATs booster clubs and working hard. The Rainbow room children made hot x buns to take home to share with their families!

COVID-19

Due to the high number of positive cases reported in school this week, please remember if your child has any of the three main covid symptoms, high temperature, new continuous cough, loss of sense of taste/smell then please arrange a PCR test for your child and do not attend school until you receive the result.

Children and young people with COVID-19 should not attend their education setting while they are infectious. They should take an LFD test from 5 days after their symptoms started followed by another one the next day. If both these tests results are negative, they should return to their educational setting if they normally attend one, as long as they feel well enough to do so and do not have a temperature. If your day 5 LFD test result is positive, you can continue taking LFD tests until you receive 2 consecutive negative test results.

Parents Evening – Week Commencing 28th March 2022

Just a reminder if you have not already done so please contact Mrs Shanks in the office on 01928 716366 or call into Reception to book your telephone parents evening appointment.

Easter Activities – Four Estates

We still have a few places left for the Easter Hunt and Animal Farm activities which are being run by Four Estates at Hallwood Park Primary on the 7th/8th April. If you have not already done so but would like to book a place then you can find the consent form in the content section of the app.

Bikeability

Year 6 took part in Bikeability this week and some children successfully completed Level 2 and Level 3. Due to a significant number of children being absent, the instructors will return later in the year.
