### Enjoy and Achieve – Aiming High

Kestrel's class have had an award winning week! They have the Numbots champion in their class and are also the walk to school trophy winners for April. In class they have made their own fruit salad by cutting, chopping and slicing fruit, all the children thoroughly enjoyed themselves.

We are very proud of our Year 6 children who have conducted themselves brilliantly throughout SATS week. They have been sensible, mature and all tried their best which is all we can ask from them! They will find out their results in July.

### Nursery

We have places available in our Nursery for September, we take children who are 2,3 and 4 years old. Please see our website for more details or contact the school to speak to our Nursery Manager who will be delighted to talk to you without obligation if you are interested in a place for your child.

### Welcome Back

We gave a warm welcome back this week to our lovely Mrs Hatton. All the children were very excited to see her and it is wonderful to have her back here with us at Hallwood Park.
